Reminders

URGENT!

Important documents have been sent out recently which require parent's attention. Please could all consent forms and data collections sheets be returned to school as soon as possible. Remember that even if data collection sheets are accurate we still require that you sign them. If they have been mislaid let us know– we can re-issue them

There has been a number of children poorly with tummy bugs this week. Please remember that children cannot return to school following this illness until they are at least 48 hours clear of vomiting or diarrhoea. This is to reduce the chances of more children becoming ill.
