On that day lessons will be centred around stories. This is always a fun day in school, we look forward to seeing a spectacular range of outfits on the day!

It is parents evening on Monday and we are looking forward to seeing lots of you. Again we have a range of professionals who will be on hand to speak with you. This will include our lovely dental team and speech therapist, please make sure you take the opportunity to have a chat with them. Clare will be promoting home learning with you on the night and we also have some important updated e-safety advice that we need to share with you.
