## Star of the week

**We have not celebrated stars this week as we are only here for 4 days– this feature will return next week.**

## News

We are planning a sponsored walk around the park on 17th May, sponsor forms have come home this week. This is an event we have run previously in order to raise funds for class whole day trips in the second part of the term. We would appreciate your support.

We have noticed a few cases of ring worm in school recently. It is essential that any outbreaks are properly treated and NHS guidance is adhered to. Ring worm is extremely contagious and can take a while to clear. We are taking additional hygiene precautions in classes to try to prevent any further incidents.

Sue Ellick, our chair of Governors was recognised for her long service to the school at a presentation evening last month. Sue has been a committed governor at Broadmeadow (and formerly Stowlawn) for 26 years. We are all very grateful for her support

## Attendance

Well done to Butterflies and Ladybirds classes who had the highest attendance with 100% this week.

## Cook's Corner

The school kitchen will be serving from the Week 3 menu when we return to school.

## Reminders

We have an INSET day tomorrow to allow staff to complete statutory training and refreshers. Monday is a Bank Holiday for May day– enjoy the long weekend.

Summer is almost here and warm weather is on its way. Please remember to send your child into school with a sun hat and sunscreen for use during outdoor activities. Both items must be clearly labelled.

It is vital that we have up to date contact details for all families. If your number changes please make sure you tell us– thank you.
