If your child is bringing any kind of medication into school please could we adhere to the school policy of handing it to the escort separately. **DO NOT put it in your child's bag but hand it directly to the bus guide. This includes creams, medicines, inhalers and any drinks containing medicine of any kind. All medicines should be clearly labelled with your child's name and we must have written consent for staff in school to administer it.**

Work is due to start next week on our new outdoor classroom and nature area funded by Lord's Taverners. There is likely to be large vehicles and machinery on site for a few days to enable this so please bear with us.

We have been informed of isolated cases of thread worm in children this week. Please be alert to the symptoms of this and follow NHS guidance at www.nhs.uk/conditions/threadworms/

Our dedicated staff team came in during the holidays to create a large sandpit in the field area— we are hoping that children will get to use it very soon as the weather improves.

Reminders

Summer is almost here and warm weather is on its way. Please remember to send your child into school with a sun hat and sunscreen for use during outdoor activities. Both items must be clearly labelled.

It is our sponsored walk on Friday, please ensure your child has appropriate clothing and footwear for whatever the weather decides to do on the day. Monies raised will fund summer day trips.
