News

It's been a very exciting week in school with lots happening this week— on Tuesday our fireman friend Tony came to show us his fire engine. Children enjoyed sitting in the cab and exploring it's features.

The work is continuing on our new outdoor classroom, parking should improve next week hopefully as the contractors will be bringing a smaller van. Please be mindful of parking if visiting school next week as it is even more of a struggle than usual.

We enjoyed our sponsored walk in the sunshine this week and shared a short film of our achievements in assembly. If all sponsor monies can be returned as soon as possible classes will be able to plan their daytrips.

Thanks everyone for supporting this.

Keep an eye on Marvellous Me as we are trying to put out a family survey to gain views on a film night for the children next half term. This is something we have never tried but would need a majority take up before we can run it.

Reminders

If your child is bringing any kind of medication into school please could we adhere to the school policy of handing it to the escort separately. DO NOT put it in your child's bag but hand it directly to the bus guide. This includes creams, medicines, inhalers and any drinks containing medicine of any kind. All medicines should be clearly labelled with your child's name and we must have written consent for staff in school to administer it.

If any of your contact details have changed— we need to know!
