Assembly News

Next week was Liam
It has been a lovely week in school this week meeting all of our new children- of which there are many! They have all done exceptionally well to settle into classes and start to join in the many activities on offer.

Next Friday we will be wearing our jeans to support the Jeans for Genes charity helping children with genetic disorders. All children are invited to wear their jeans to school on the day and make a donation to the charity.

Many children attending Broadmeadow have genetic disorders as do 1 in 25 of the population.
