### NEWS

**Ofsted came to visit us this week, we had a 2 day inspection led by Her Majesty’s Inspector Deb Jenkins. We were judged against a brand new set of criteria which are extremely challenging. Staff were observed and scrutinised about our practice and what we offer to our pupils.**

**Your children , as always were fabulous and showed their superb attitude to school during the inspection– they were not fazed by the additional adults around school. We are pleased with the result which will be published in around 30 working days.**

**A big thanks from us to all of the families who supported this week in many ways, Ofsted were very impressed with the overwhelming positive feedback they received both in the online survey and in person. Together we are a strong team.**
