### NEWS

**This week we said goodbye to Julie one of our teaching assistants, she worked extensively on our swimming program and really helped lots of children to progress in this area. We wish her luck in her future endeavours.**

Zaynab was our photographer today and she was very impressed with all of the children. If you look at the prints on-line there are additional packages available to buy.

**As some children were away we could get a second sitting however this is likely to be after the end of November and so families possibly wouldn't get their prints in time for Christmas.**

**Please let us know if you would like us to arrange an additional session with Zaynab.**
