We raise money in many ways to ensure that the children have exciting facilities and activities to help them to learn.

## How you can help us!

Does your employer have a matched funding scheme? You could join it on our behalf

We have some collection boxes. If you would like one for your shop/ club just ask.

## Current projects

We would like to equip the school with a defibrillator- the numbers of children suffering heart failure is on the increase.

A good quality unit would cost approximately £1,000 and we have set up a crowd fund . Anyone who would like to donate could do so at:

## Our next project

£30,000 would buy a lovely new 9 seater people carrier. This would enable us to take smaller groups to activities like school visits and inclusion. We would also consider using it to help parents into important training. If you would like to help please speak to the head teacher.
