## News

The Local Authority Risk Assessment panel is due to sit again very soon. For this next panel we will be discussing those children not currently attending school only.

Families of those children will be contacted in the next week by Senior Leaders to check in.

Governors met virtually this week. They were very pleased with the work that the school is doing to continue to support children and their families. They were keen to know that staff are maintaining links with children and that work is being provided where it is requested.

Please remember to get in touch if you need anything. A virtual tour is being posted on our website this week– some children might like to watch this to remind them of school.

**Remember we would love to share any good news stories that you may have during this pandemic. Please send them in to me:

## Good News

Noosha our ICT co-ordinator has been busy creating 'How to' videos to support with the use of technology at home. This week check out her great easy to follow guide on how to use parent control on devices like iPads and phones. This is a useful tool to limit what children can do when using the device, so it will keep them in the app you want them to use. See the video on our website!

Fancy a boogie? Why not join in with the Funky Friday Inclusive Disco? It is on tonight– Friday 19th June from 7pm to 9pm. To take part download the Zoom App onto a laptop, tablet or phone. Join meeting 847 3771 5870 using password 123456.  
This is a FREE event open to all.
