## News

A video tour of school has been created and is ready to go on the school website. For children who have been out of school for a while it might be a good idea for them to watch this as a reminder that we are still here!

We have kindly been given information from a parent about the Wolverhampton and Walsall Parent Group. They offer emergency food parcels to families who have children with additional needs, and have been affected by the Coronavirus pandemic. You can access in the following ways;

## Good News

*Katie Diamond, a new teacher joined us this week. She is new to the profession but is known to Broadmeadow from being on placement with us. Katie will be teaching in Ducklings class as Jo Wilkes prepares to have her second baby.*

*We want to say a special thankyou to our caretaker Mark Flynn and to the school cleaning team. They have gone above and beyond in keeping the school a safe and clean environment for the children and staff. Mark hasn't been with us so long, but is a fabulous member of our team who will help in any situation– and smiles as he does so!*

*Classes have been busy preparing end of year reports for children and they are due to come out to families in the next week. There will be an opportunity to discuss your child's progress but may be a virtual or telephone meeting. Despite the disruption this year many children have made fantastic progress and we are very proud of them.*
