News

A video tour of school has been created and is ready to go on the school website. For children who have been out of school for a while it might be a good idea for them to watch this as a reminder that we are still here! It can be found on the home page, scroll down the quick links tab– it is labelled 'virtual tour'.

School reports came out this week and class teams are preparing to offer parent consultation meetings to discuss progress.

Please make sure you reserve an appointment for a 'virtual' meeting:

Butterflies– Tuesday 7th July

Ducklings– Tuesday 7th July

Robins– Thursday 9th July

Owls– Friday 10th July & Monday 13th July

Hedgehogs– Monday 13th July

Dragonflies– Tuesday 14th July

Remember we would love to share any good news stories that you may have during this pandemic.

Good News

Education Secretary Gavin Williamson MP announced this week that schools will re-open fully in the Autumn term– that is all children attending school everyday. There is a requirement to continue with safe systems of working and to restrict large numbers of children being together.

In the coming weeks we will be looking at our safe systems and risk assessments again to make provisions for a full return to school.

It is expected that all children will return full time and we will be working with families to facilitate this in a careful way for children. We appreciate that life has been very different for all of us over the past few months and pupil well– being will be our priority as always.

The latest Government advice for parents on this can be found at: <https://www.gov.uk/government/publications/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-during-the-coronavirus-covid-19-outbreak/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-in-the-autumn-term>

We have 12 children due to leave Broadmeadow; families can find our Leaver's Social Story on the Quick Links column of our school website to start preparing children for this event.
