News

Class teams have been enjoying discussions with families this week– some by telephone and others by Zoom. We have loved seeing some children on screen too– although one or two weren't as keen to see us!!

As lockdown measures are further eased, just a reminder to continue to be vigilant. We need to be extra careful not to miss symptoms and get tests for anyone who may have the virus. We also need to continue with hygiene measures to keep everyone safe. Despite negative social media headlines Public Health Wolverhampton have data showing that new cases of the virus in Wolverhampton are dropping but the virus is still out there.

Remember we would love to share any good news stories that you may have during this pandemic.

Please send them in to me:

Good News

Local Conservative MP Stuart Anderson visited Broadmeadow today. He met with Karen and Lisa to talk about how he can support as our local MP and keeping in regular contact with us. As an active member of parliament and a very busy man, we were very grateful to have an hour of his time. He knew about the school and was aware of the support we provide for children and families, we hope he will be a long term friend of the school.

We are sad not to be able to provide our usual end of term surprises and events for our children due to the Covid pandemic– however we are planning extra treats for children in school next week kindly funded by Friends of Broadmeadow.

Congratulations to our very own Alannah from Owls class who has completed her post graduate course to become a qualified teacher. A huge achievement– very well done Alannah!!

Independent Advice and Support have issued their July family newsletter, with articles on the new travel policy and EHCP review it is well worth a read. Please see it at <https://wolvesiass.org/>

We have 12 children due to leave Broadmeadow; families can find our Leaver's Social Story on the Quick Links column of our school website to start preparing children for this event.
