Star of the week

Our stars this week are:

Hedgehogs: Zack
Ducklings: Isabella
Robins: Ella
Dragonflies: Ibrahim, Oscar and Kushi
Owls: Emilija
Butterflies: Azan and Ramona
Well done to all of our stars

Attendance

Well done to Hedgehogs who are our class of the week with 100% attendance

Cook's Corner

The school menu will be serving from the Week 3 menu next week

REMIINDERS

Please remember that all children are entitled to a free hot dinner in school. We are unable to manage lots of heating of additional foods and this will only be carried out in exceptional circumstances, where a specific food form has been signed off.

There is consultation out on Wolverhampton's SEND strategy. Virtual sessions have been set up for parents to join this Monday (15th September) through Voice 4 Parents, please see their Facebook page for more information– Voice for Parents– Wolverhampton.

NEWS

We welcomed new children to school this week– William, Zack, Ayaan, Emilija, Kushi, Ava, Ibrahim, Harmeet, Oscar and Charlie. We look forward to Rupert joining us next week.

We will be fundraising next week on Jeans for Genes day, this charity funds important research into genetic disorders which affect many children , including some at Broadmeadow. Staff and children are invited to wear their jeans and make a donation to the charity.

As educational visits are currently on hold we will not be requesting voluntary contributions this half term. This decision will be reviewed at half term. Should families wish to make a donation this half term anyway it will be put towards consumable resources for classes.

App of The Week

Our App this week is Quiver Masks– a free and fully interactive way for your child to experience filters on their own selfies.
