NEWS

With autumn weather making an appearance we are struggling with outdoor space and our Covid restrictions. The field area is getting too muddy for general use and so we are thinking of alternate ways to manage play times– watch this space!

Staff updated their first aid qualification in school this week giving every class at least 2 staff members qualified in emergency paediatric first aid.

Please look out for a Parent's Evening letter – we now know these meetings will NOT be face to face sessions. Classes will hold either Zoom meetings of telephone consultations to discuss children and their progress. There is likely to be an option of an appointment on more than one date.

Kate Flynn higher level teaching assistant in Dragonflies has been appointed to be our new staff governor and will join Governors meetings.
