REMINDERS

As part of our support to families during Covid we are developing our remote learning offer. It would be very helpful to know what devices and access children have to technology. Please help us by completing a very short survey at the end of this link:

Remember that clocks go back on midnight of Saturday 25th October

It is the last day of our half term today– we look forward to seeing children back at school on Monday 2nd November

Public Health have alerted us to the Covid testing centre at Faulkland Street car park- there are 50 available slots there each day that do not need to be booked should anyone need one. Currently Covid testing capacity in Wolverhampton far outweighs demand

NEWS

As the kitchen providing our meals is closed on Monday 2nd and 3rd November ALL children will require a packed lunch on these days– we apologies for any inconvenience caused.

Next half term classes will be celebrating Harvest. We will be collecting items of food to go to the Good Shepherd Ministry whom we have supported for many years.

Donations of tinned and non– perishable food will be collected in school during the week of the 2nd November .

Just a reminder to please be cautious of Covid over half term. So far we have been lucky to escape any cases or bubble closures– please continue to be vigilant. Anyone with symptoms must be tested and we need to know if anyone in your household has a confirmed case. Please text the school mobile during half term to alert us of any cases. As it is half term staff won't be working however the leadership will liaise with public health should the need arise. The school mobile number is 07564 044248– please do not expect a reply during half term week or at the weekend.
