Cook's Corner

The school menu will be serving from a new menu next week. Since returning in September we have been receiving a boxed meal which has been quite limited, I am pleased to report that following discussions with our provider we will be having a new expanded menu from next week and children will have more choice.

Attendance

Dragonflies are our class of the week with 100% attendance– well done!

REMINDERS

Please ensure that we have the correct telephone numbers in school for you and your family. It is essential that we are able to quickly contact parents in an emergency.

It is essential that children DO NOT attend school if anyone in their household has Covid symptoms, has received a positive test result or is waiting for a test result. If in doubt please just give us a ring– we are becoming experts on Covid and have regular meetings with public health where we can ask additional questions and find out in depth information.

It is really helpful to us if families can regularly 'high 5' on Marvellous Me– it is our only way of knowing if you are seeing our messages to you. Lots of information is sent home through this App so it is crucial that we know you are seeing it– thank you.

NEWS

Well done to those parents who were able to access the Sleep Tight training on Zoom this week.

Staff have really enjoyed catching up with parents on consultation phone calls and zoom meetings this week. If you have not been able to book a slot please get in touch.

Children did very well having their school photographs taken today– we will be booking an additional session with the photographer to return for any children absent today and also siblings when Covid restrictions allow.

Welcome back to Dawn Beamer our assistant head who has now returned to school following knee surgery– we are very pleased to see her back!

App of the week

This week we would like to recommend Hey Duggie the Spooky Badge- this is free on apple and Android devices
