## REMINDERS

**Please ensure that we have the correct  
telephone numbers in school for you and your  
family. It is essential that we are able to  
quickly contact parents in an emergency.**

It is essential that children  
DO NOT attend school if anyone in their  
household has Covid symptoms, has received a  
positive test result or is waiting for a test result.  
If in doubt please just give us a ring– we are  
becoming experts on Covid and have regular  
meetings with public health where we can ask  
additional questions and find out in depth  
information.

## NEWS

**We are very proud to have been awarded  
Anti-bullying charter status in this week  
which is national anti-bullying week.**

We are pleased to be able to support trainee  
teachers as part of our work on promoting  
the profession. Currently in school we have  
Emily who is working in Robins class and  
Eleanor who has recently joined Hedgehogs.  
As part of their work they have to show they  
can communicate with parents so you might  
speak to them at some point.

**Unfortunately we have received a positive  
Covid test result in Ducklings class today,  
this has closed the class for 2 weeks. Whilst  
most children in their sister class  
Dragonflies do not need to self-isolate some  
staff will. For this reason I am putting into  
place our Covid rota for Dragonflies for the  
next 2 weeks– parents please check your  
Marvellous Me messages for details. Thank  
you for your support at this time.**

## App of the week

This week we are recommending 'Finger  
Paint' this a free App. Explore touch  
with colour, sounds or music. An  
opportunity to finger paint without the  
mess!
