Attendance

We are seeing excellent attendance from children who are booked into school on the rota each day– thank you.

REMINDERS

We would love to get feedback from our home learners, thank you to those parents who have started to send us pictures and videos of their children completing their activities on Marvellous Me. We would like more! It is very easy and quick to do.

The country remains in lockdown– please make sure you and your families are following all of the rules. I have copied them onto the back of the newsletter to remind everyone.

Covid rates in Wolverhampton are falling, however they are still high. In school we have reported several cases this week. People are presenting with extremely mild symptoms– please be extra cautious about this to stop the spread. Symptoms we have seen this week that have produced a positive result include a slight sniffle, a tickly cough or a sore throat. Also look out for headaches and tiredness and get a test.

NEWS

Friends of Broadmeadow met this week, they have committed to purchase a de-fibrillator for school. This is due to the high numbers of cardiac arrests that occur in people of all ages and the higher chances of survival that they achieve. Look out for fundraising activities including a chocolate raffle and a sponsored event which will be coming soon.

Independent advice and support have their second e-bulletin available to read. This service is able to support families of children with disabilities. They hold events and lobby for specific issues. Please sign up to receive the newsletter at:
