Covid

For some weeks now school staff have been taking regular lateral flow tests. These are designed to indicate whether a person is infectious with Covid 19, so can detect the virus in people NOT showing symptoms. There are 7 community lateral flow testing sites and this week it was announced that home testing kits are now available for parents of school aged children. We would urge parents to take these tests twice weekly to stop the spread of the virus. Test kits can be ordered on line from : www.gov.uk/order-coronavirus-rapid-lateral-flow-tests This week there is a mobile test site at Bantock Park, next week it will move to Low Hill

Star of the week

Our stars this week are:

Hedgehogs: Daniel W
Robins: Mabel, Tommee, Blake and William
Dragonflies: Enoma
Owls: Logan
Butterflies: Duaa, Isabelle and Ru
Ducklings: Oliver

Well done to all of our stars

Attendance

Hedgehogs is our class of the week this week with 100% attendance– well done!

NEWS

Today in school we celebrated World Book Day– it was great to see lots of children dressed as their favourite book character and classes enjoyed story themed activities as part of the special day. See a small sample of what we have been up to on our Facebook page.

As part of Wolverhampton's #YES work we have produced some contributions for today's Appreciation day, see them on our Facebook page.

We have been pleased to speak to so many parents this week for Parents evening, we are seeing children making good progress despite the constraints placed on us by lockdown. Children returning full time this week have done extremely well and it has been lovely to see full classes.

Raffle tickets are on sale for our Chocolate Raffle at Easter, please contact the office if you require any further tickets.

App of the week

Pedestrian crossing
Help the children to cross the busy road.
