Cook's Corner

Next week the school kitchen will be serving from week 1 of the menu

Covid

Covid rates are dropping significantly in Wolverhampton which is excellent news. However we still need to be vigilant with all of our precautionary measures. We are still being advised to hold any meetings virtually or by telephone.

We are being asked to encourage everyone to have their Covid vaccine when they are contacted as it appears to be having a significant impact on rates of the virus and also hospital admissions.

Staff are using lateral flow testing twice weekly, parents of school aged children and anyone in a childcare bubble can now get home testing kits to use regularly.

App of the week

Chomp by Christoph Niemann

An app for combining animation, interaction with live video. 52 animated scenes! Tap for interaction and swipe to change scenes

Star of the week

Our stars this week are:

Hedgehogs: Zack

Robins: Ella, Hamza and Ayaan

Dragonflies: Etinosa

Owls: Daisie

Butterflies: Ruby, Subhan

Ducklings: Ethan

Well done to all of our stars

Attendance

Owls and Dragonflies are our classes of the week this week with 100% attendance– well done!

NEWS

Chicken pox is in school, even if your child has already had it please keep your eyes open for signs. If children do contract chicken pox they must stay at home until every spot is dry or scabbed over.

Raffle tickets are on sale for our Chocolate Raffle at Easter, please contact the office if you require any further tickets.

Don't forget if you are shopping on-line that we are a named charity on Amazon Smile– just search for Friends of Broadmeadow when making purchases and we will receive a small donation . This does not cost the buyer anything, just puts extra pennies into our account!

We have been very impressed with how smoothly all of our children have returned to full time schooling, it is very much business as usual in classrooms, with lots of lovely activities happening.
