NEWS

We are very pleased to announce that Broadmeadow has been given the go ahead to officially change designation from September 2021. From that date we will be a Primary School for children aged up to 11 years old and have 75 places.

From September we will have 3 additional classes of children who will be educated in the ground floor of our neighbouring strengthening families hub. Wolverhampton city Council is funding some building work to help us to create a safe walkway between our 2 buildings to give access and to provide appropriate bathroom and changing facilities for the children based over there.

This is a very exciting time for us and there is lots to do to prepare the school for all of the changes that are planned. For this reason we have been granted an additional INSET day at the end of next half term so that some of this work can be done. Please see in the diary dates section an additional training day on Friday 28th May—we hope this does not cause any inconvenience.
