Ducklings, Butterflies and Dragonflies are our classes of the week with 100% attendance– well done!
Whole school attendance was 99%

REMINDERS

Monday is a national Bank Holiday so school will be CLOSED. However we are not used as a polling station and so remain OPEN on local election day- Thursday 6th May.

Our Covid documents have been updated in line with the lifting of restrictions– please find them on our website

If your child has an appointment during the school day we need to know, please provide us with evidence of this. Also, we need to know who is collecting your child in this instance, remember we do not see many parents currently. If it is someone who we do not recognise we have to check their identity for safeguarding purposes. It would be helpful to set a password with school in this event as we cannot release children to people that we do not know. Thankyou for your support in this matter.

NEWS

Now that we are having warmer and drier days the school field is being used for outdoor play– this means that children are getting more access to outdoor activities and for longer periods– still in their bubbles.

Education visits have started again this week and children have enjoyed visits to parks and rides on the school minibus.

App of the week
