NEWS

It has been a fun week in school with lots happening. We had a great (but very messy day) on Monday for our art day celebrating Holi.

Easter activities have been in full swing this week with egg hunts and other Easter related activities.

Margaret Jones, one of our midday supervisors retired today. Margaret is one of our longest serving staff members, joining the school in 1997 when it was based in Bilston. Children have enjoyed creating video messages to say goodbye on a special film for Margaret. We all wish her a long and happy retirement.

Children have bought Easter eggs home this week. They are a gift from our Friends of Broadmeadow charity. We received lots of lovely donations for our Easter raffle from staff, parents and local supermarkets.

Please see the reverse of this page for a message from the local police.

The amended lockdown rules that came into force at the start of the week are the beginning of the UK's roadmap out.

We are still in a national lockdown but from 29 March:

- you can meet outdoors either in a group of 6 (from any number of households), or in a group of any size from up to 2 households (a household can include an existing support bubble, if eligible)
- you can take part in formally organised outdoor sports with any number of people (outdoor sports venues and facilities will be able to reopen)
- childcare and supervised activities are allowed outdoors for all children
- formally organised parent and child groups can take place outdoors for up to 15 attendees. Children under 5 will not be counted in this number

We would like to ask all parents and guardians to make sure that the young people of Wolverhampton are abiding by the rules of the lockdown process; and staying at or local to their homes.

This will help to protect us all and keep us all safe!

A Final Word.....

School breaks up today for 2 weeks, we are very happy to have managed a Covid free half term– hopefully brighter days are on their way when we can enjoy life to the full again!

Please remember to inform us if your child tests positive for Covid at any point during the break– the school mobile will be mainly switched off but checked at certain points to pick up any urgent messages.

Wishing everyone a peaceful and safe Easter.
