NEWS

Please make sure we have up to date contact details, it is very important that we are able to contact families in any kind of emergency. Remember we try to hold 3 contact numbers for each child– these must be up to date.

Just a reminder that children cannot be in school if they are displaying Covid symptoms:

- A high temperature
- A persistent cough
- A loss of taste or smell

There are lots of colds around at the moment, sneezing and runny noses do not need to cause concern. Thank you for your on – going support in this matter.
