NEWS

Today is the last day of the half term, we have training in school for staff tomorrow and also on the first day back after Whitsun. Staff will be undertaking refresher training in areas where this is a legal requirement and also making preparations for our school expansion in September– there is a lot to do!

Although Wolverhampton currently has very low rates in terms of Covid infections there is a lot of concern about the new strains of the Indian variant. Local leaders met with schools this week to outline proposed changes to our protocols to try to prevent this impacting again on our everyday lives. It is likely that testing requirements will be intensified so that anyone who is poorly with ANY symptom will be required to take a PCR Covid test and isolate until they have a result. As soon as this is confirmed school documents will be amended to reflect this.

Please inform us of any positive Covid cases in your household, especially before 30th May if it is a child who attends Broadmeadow and before Tuesday 8th June for anyone else in the home.

Attendance

Robins is our class of the week with 100% attendance– well done!
Whole school attendance was 94.9%

NEWS

Congratulations to Noosha who has gained certification in Online Behaviour on behalf of the school, meaning that our E-safety work is recognised and approved.

We know that many parents have been enquiring about swimming, We are still awaiting confirmation of pool hire. As soon as we are able this activity will re-commence. Parents of children invited to swim will be notified as soon as we have more details.

Wishing you all a relaxing and sunny half term!
