Thursday 22nd July– Family party day
Thursday 2nd September– Staff INSET Day
Friday 3rd September– Staff INSET Day
Monday 6th September– Children return to
school

Covid

Unfortunately we have had to close one of our bubbles today due to a positive Covid case in school. We are being advised by Public Health that the Delta variant is particularly affecting young children with symptoms such as sore throats, sneezing, runny noses and headaches. Please be extra vigilant– if your child is ill with ANY symptom they need to have a Covid test to reduce the risk of spreading.

The Local Authority have advised us to plan for bubbles to continue in the Autumn term. Due to our increase in numbers this will be different as in September we will have 10 classes. As we have more information it will be shared.

Friends are planning a family event to be held off– site in July, we are keeping a close eye on Covid regulations and really hope that we can make this event happen. Full risk assessments will be made before the event gets the go-ahead for 22nd July

Star of the week

Our stars this week are:

Hedgehogs: Logan
Robins: Whole class
Dragonflies: Enoma
Owls: Dexter
Butterflies: Ruby
Ducklings: Amari

Well done to all of our stars!

Cook's Corner

Next week the school kitchen will be serving from week 3 of the new menu

Attendance

Robins are our class of the week with 100% attendance– well done!
Whole school attendance was 89%

News

Big Top are a music company that came in to support our Creative Day this week, they made some lovely comments about our children: ***We thought the children did really well to engage in the sessions and the music making despite the crazy heat of the day and there were some moments of great musical responses, awareness and exploration!***

Did you know you can request a Safe and Well Visit from west Midlands Fire Service? The aim is to reduce the risk of fire and possible injury in the home. The service will take into account any person with a disability living in the home and will prioritise a visit. Should equipment such as a smoke alarm be needed the fire service will supply these free of charge. For further information please call 08003895525.
