

West Midlands Fire Service

Safe and Well

What you need to know

Our 'Safe & Well' visits aim to:

Improve your safety in your home

Empower and motivate you toward positive changes that affect your health and wellbeing

Signpost you to appropriate services

West Midlands Fire Service personnel will visit your home to provide safe and well information and safety advice. They will fit smoke alarms and other specialist equipment, and check that there are no immediate fire hazards.

We will leave you with a handbook along with the details of any actions or referrals made following our visit.

Our 'Safe & Well' visits give you:

Home security advice

Road safety advice

Scan the QR code using your mobile phone camera and complete the form for a Safe and Well Visit in your home.

News

Today we say a fond farewell to our lovely Fran, who has worked with us for the past 5yrs. Children and staff will miss you very much. Fran we wish you all the very best in your new role as a short breaks family practitioner in Sandwell.

Thank you to everyone who supported our Christmas fayre this week. We raised the grand total of £480.60 on the day.

Every penny raised by the school charity 'Friends of Broadmeadow' goes towards providing treats and extra curricular activities for our children throughout the year.

It's that time of year again when horrible bugs are around! The link below may be helpful to you.

[Is my child too ill for school? - NHS](#)

Wellbeing at Broadmeadow

Did you know there are parent settings on popular children's games such as Minecraft and Roblox? If your children enjoy these games, please encourage them to play safely. Earlier this week we emailed helpful parent guides (via Arbor) on both of these games, hope you find them useful.

Attendance

Our school attendance target is 95%

This week we have achieved 93%

**Class of the week is awarded to...Magpies and Ducks
Well done everyone!**

Cook's Corner

Next week the school kitchen will be serving from week 1 of the school menu
