Murphy update...

Pupils had a lovely time with Murphy the PAT dog this week. Some pupils had the opportunity to give Murphy a treat or play ball games with him. For children who are a little frightened, they were able to watch from a distance and prepare his water; it's thirsty work being a PAT dog! It is only his second week; yet Murphy already feels part of our community.

Oral health coffee morning –coincides with our Brilliant Brushers dental health programme in school. Jessica Gwilliam – our school Dental Nurse will be here to focus on promoting positive oral health behaviours, increasing awareness of prevention, and supporting good oral health. There will be plenty of opportunities to ask any dental related questions or seek practical advice.

We look forward to seeing you there!

We are pleased to share a simple way you can help support our school at no extra cost to you. Please look out for the QR code attached, which links to **Easyfundraising**.

Easyfundraising connects to hundreds of online retailers, including supermarkets and well known high street brands. When you shop online through the site, a small percentage of what you spend is donated directly to our school's charity fund – at no additional cost to you.

Every penny raised goes towards helping us to fund additional treats and increased opportunities for our pupils.

We would be very grateful if you could sign up and encourage friends and family to support us too. Every shop really does make a difference.

Thank you very much for your continued support.
